

Music Ministry Participants 2018-2019

Today is Music Appreciation Sunday!

On behalf of Fr. Quezada and the people of Corpus Christi Church and School, I wish to thank deeply the many people who have given of their time, talent and treasure to the glory of God in our music ministry in the past season. With weekly or bi-weekly rehearsals, these people have given untold thousands of hours to our worship out of love and dedication to the Lord and His beloved church. It has been my honor and privilege to serve with them, and I look forward to even greater riches in the future.

- 2. INTERVENTION.** We provide material resources and community connections to help give women the confidence they need to know they'll be supported in their pregnancy and beyond.
- 3. TRANSFORMATION.** We offer professional counseling, mentoring, and resources through our parenting program, LifeSteps, and an abortion-recovery Bible study through Bridges of Hope.

Financial Peace University (FPU) is a program that teaches you how to work with the money and skills that God has brought into your life to best serve your family and further the Kingdom. It is not your typical "money class"; it is practical and fun! FPU is based on the over 800 verses in the Bible about money and provides you with a proven plan that works to free you from the stress that money can cause. In a recent class, 27 people (15 families) gathered for the 9 weekly lessons. During those 9 weeks, the class paid off \$37,344 of debt and put another \$14,450 into their savings accounts! As one young couple said, "It's such a great gift that's blessed us beyond measure. We already feel so free!"
