The Beauty of a Great Marriage

Great marriages are like strong trees that withstand the storms of nature and flourish to become great symbols of God’s loving plan for us.

A strong foundation based on God’s plan for marriage and practical relationship skills are like a strong root system that nourishes and supports the tree. The marriage group provides opportunities to both learn God’s plan and discuss with other couples how to implement that plan on a day to day basis.

Trees become stronger and withstand harsher conditions when they are near other trees that can buffer them and support them. The same is true for us. Alone, we can become vulnerable, but a strong support system not only protects us but also helps us flourish.

Mature trees bear beautiful fruit giving witness to the dignity of the tree. Mature and healthy marriages bear witness to the beauty of the Sacrament of Marriage and become a true sign to everyone of God’s love.
The Lord hands down the sternest warning to those who would store up treasure for themselves but who “are not rich in what matters to God.” What does matter to God? Qoheleth readily recognizes the vanity of laboring, toiling, and acquiring. Sorrow, grief, and restlessness persist nonetheless in plaguing such a person. What matters to God is that, through baptism, we have died and our life is hidden with Christ in God. Life’s richness consists in seeking the One who is above, and claiming the new self offered to us through him. Christ is all. Our treasure lies in claiming Christ our life, who has appeared (Magnificat 2019).

Please consider joining me in June of 2020 on the pilgrimage to the Holy Land and Rome. Together we can visit, pray at and celebrate Mass at so many of the actual sites we hear about in Sacred Scripture. This is a life changing trip where among many other sites we will experience where our Savior was Incarnated (Annunciation), born, lived, worked miracles, celebrated the Last Supper, suffered, died, rose from the dead and ascended into Heaven. After spending a little over a week in Israel we will travel to Rome where we will get to experience the Eternal City. This trip is open to all people at Corpus Christi, or any parish, of any faith and age. We will be having an information meetings regarding the pilgrimage towards the end of August, dates and times TBD. Please look in the back of Church for additional information regarding this great opportunity and prayerful consider joining me as we live and grow in our faith.

Wednesday, August 7th the church celebrates the memorial of St. Sixtus II, Pope and Martyr. A Roman of Greek descent, Sixtus was elected to the papacy in 257. He repaired the rift between the sees of Rome and Carthage that had developed over the issue of baptism and rebaptism. Like his predecessor Stephen, Sixtus believed that baptism is a once-in-a-lifetime event, but unlike Stephen, Sixtus tolerated those who rebaptized. The martyrdom of St. Sixtus was dramatic. Forbidden to hold services, he and his deacons continued to worship in the chapel in the cemetery of Prêtextatus. One day in 258, as the pope preached, soldiers broke into the chapel and beheaded Sixtus. Four of his eight attendants were also beheaded. The authorities executed another three later that day. St. Lawrence was martyred four days later as he was one of the seven deacons in Rome, the one in charge of the temporal goods of the Church. Both St. Sixtus and Lawrence’s names are invoked during the Roman Canon. St. Lawrence (Aug 10th) is one of the patron saints of Deacons. This week please pray for all those men who serve in the ordained ministry as Deacons in our Catholic Church.

Prayers and Blessing for the new week!
Fr. Brian A. Roeseler

**August 4, 2019 - 18th Sunday in Ordinary Time**

“Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions.” *(Luke 12:15)*

The Gospel message today is contrary to our modern culture where advertising continually tries to convince us that our value lies in the things we possess. Jesus showed us that our true value lies in the way we live our lives. He challenges us to not hoard material possessions, but rather to live a grateful and generous lifestyle and become more “other-centered” and less “self-centered.”
